

(c) The Ministry of Coal is monitoring the implementation of these delayed projects. the Ministry and coal companies follow-up with the concerned State Governments in expediting pending land cases and also with equipment manufacturers to ensure early supply/commissioning of equipment. For providing adequate funds for the on-going projects, coal companies have taken steps to mobilise resources through internal generation, Supplier's Credit and external borrowings. For projects where cost overrun takes place, item-wise cost increases alongwith reasons thereof are examined in depth at the time of formulation of revised cost estimates which are approved by the competent authority.
